HAWAIIAN HOME LANDS
HAWAIIAN HOMES COMMISSION - DEPARTMENT OF HAWAIIAN HOME LANDS

Beneficiary Consultation

You are invited to attend a Beneficiary Consultation meeting in your community to discuss proposed changes to the Department of Hawaiian Home Lands' Administrative Rules.

Water Systems:

The DHHL owns four water systems. These proposed rules would enable better management and systems in Ho'olehua, Anahola, Kawaihae and Pu'ukapu. The proposed rules would enable better management and system controls by establishing clear processes for system operations and consumer services.

Planning System:

How does the DHHL manage land? Manage resources? Make planning and program decisions? Planning System rules propose a comprehensive method to systematically coordinate how these types of decisions are made so that there is regular engagement with beneficiaries, and predictability and consistency.

Meeting schedule on reverse. All meetings subject to change.
