

The background of the entire slide is a close-up photograph of vibrant green leaves, likely from a tropical plant, covered in glistening water droplets. The leaves are layered, with some in sharp focus and others blurred in the background, creating a sense of depth. The lighting is bright, highlighting the texture of the leaves and the clarity of the water droplets.

VIRTUAL BENEFICIARY CONSULTATION DHHL MOLOKA'I GROUNDWATER RESERVATION REQUESTS

Wednesday, May 5, 2021, 6:30 pm to 8:00 pm

VIRTUAL BENEFICIARY CONSULTATION - Moloka'i Water

Participate online or by phone

**WEDNESDAY,
MAY 5, 2021
6:30 pm -8:30 pm**

DHHL holds a water reservation for the Kualapu'u Aquifer on Molokai, and now is seeking additional reservations from the state Water Commission for other DHHL lands and aquifers on the island.

Project information and the Zoom meeting link are available by visiting:
