# Community Values

- **Ke Ola Pono: Life and Wellbeing**

*A healthy and thriving Kawaihae is one where ola (life) is paramount, and all aspects of wellbeing are pono. The physical, mental, emotional, and spiritual wellness of the homestead community in the region are cared for and balanced for keiki, 'ōpio, mākua and kūpuna.*

- **Noho Kupa 'Āina: Self-Sustaining**

*Kawaihae homesteaders live mauka to makai and are able to access all the necessary resources to be self-sustaining and have their 'ohana's needs met. The entire ahupua'a of Kawaihae, extending out into the nearshore fisheries, is restored and stewarded using indigenous practices by the homestead for future generations. Restoration of Kawaihae means self-sufficiency, connectivity to place, equitable access to affordable water, and stewardship of land and ocean resources.*

# Community Values

- **Mālama ‘Āina - Resource Management**

*Resource management goes beyond just caring for the natural environment of Kawaihae, it encompasses the abundance of cultural and historic resources that help to create a thriving ahupua‘a. All resources will be cared for in the way of our kūpuna, and in doing so ancestral knowledge will be transferred from one generation to the next.*

- **Laulima - “Many Hands” Working Together**

*Kawaihae homesteaders will come together as a community alongside one another to achieve their vision for the future. Communication will be clear between one another. Accomplishing goals will be the focus. With the hard work and commitment of the many hands of the Kawaihae region, all dreams are possible.*

# Community Values

- **Ka 'Imi Na'auao: Seeking Enlightenment**

*A commitment to continually seek knowledge is vital to the long-term success of Kawaihae. Education and learning opportunities for all, from keiki to kūpuna must be accessible. Educational and support resources will be available to all who need them.*

- **Ka 'Ike Hawai'i: Ancestral Knowledge as the Foundation**

*Traditional Hawaiian knowledge ('ike Hawai'i) and ancestral knowledge ('ike kūpuna) are the foundation of Kawaihae upon which all things can be built. Through the perpetuation of this 'ike, Kawaihae and its people are grounded in culture, history, traditions & place and are able to better reach their goals for the future.*
